While the goal of BAHS is to provide support to all three high schools, we recognize that our community members and businesses may have a special connection to one of our schools. **If you would like your donation to be directed towards a specific school, please indicate here:**

Senior Skyview West

Is your business owned/managed by a Billings Grad? If so, we'd love to feature you in a social media post and thank you for your support of the 2021 grads. Please include any information you'd like us to share such as your name, graduating year/school, Facebook page to tag, a message to this year's class, etc.

Want to give a school, student group, former teacher or graduating class a special shout out? Include your message of support for a school, teacher, sport or activity that holds a place close to your heart. We'd love to share it with our supporters and this year's grads.
